CHARDONNAY

Peak Vibrancy and Verve!

2024

A genuinely refreshing take on Chardonnay: light on the land, naturally fermented, with no chemical additives. Double-aged in older oak and stainless steel for peak vibrancy and verve.

Blended from three of our favorite high-elevation California Alpine Mountain sites:

Wildcat Mountain: Red volcanic soils atop an extremely windy, cool ridge overlooking Sonoma.

Arrowhead Mountain: Old Wente vines planted directly into terraces of pure rock on the ridge that forms the Sonoma/Napa border.

Santa Cruz Mountains: Another of our favorite old-vine, old Wente selection, propagated from David Bruce cuttings, planted on a steep, terraced mountaintop above Boulder Creek, CA.

TASTE!

Coastal freshness meets mountain substance — citrus zest, summer melon, pineapple, white flowers, sea salt.

93 pts. Wine Enthusiast (v.21)

92 pts. Vinous (v.21)

91 pts. View From the Cellar (v.23)

Sites:

35% Wildcat Mountain
50% Arrowhead Mountain
15% Santa Cruz Mountains

Farming: Organic Practices

Vines: Old Wente, Selection 96

Aging: Double Aged - 12 months in neutral French oak and 6 months in stainless steel

Style: Edgy, Mineral, Bright

Tech: 13.5% ABV, 6.6 TA, 3.32 pH

ABOUT ALTA HEIGHTS

A love letter to the mountain frontiers of California and the spirit of exploration. A true departure from the valley floor wines that flood the shelves, Alta Heights captures the rugged beauty and relentless spirit of the California Alpine mountains with organically grown, naturally fermented, handcrafted wines.
